# STAND WITH SNOWDEN

[SIGN PLEDGE](#)[SUPPORTERS](#)[NEWSROOM](#)[FAQ](#)

We are concerned citizens who have come together to stand for Edward Snowden and democratic societies free of mass surveillance. We believe he provided a public service by revealing a secret, global system of mass surveillance that violated the U.S. Constitution and was adopted without the public's consent.

Our ranks include lawyers, policy experts, technologists, civil rights advocates, artists, and cryptographers who are committed to human rights and open societies.
